Hi McClure,

Thanks for your call today. Attached above is the official letter requesting tribal consultation on the WA federal dams in the Lower Columbia and Lower Snake Rivers. I've also attached the Fact Sheet and permit for Bonneville. As you probably know, the Fact Sheet explains the basis for the permit limits.

Please feel free to let me know if you'd like me to also send copies of the 8 pre-draft permits and the 2 draft fact sheets. I've attached just the Lower Columbia River pre-draft Fact Sheet above. This explains the
